Seeds of Liberty

*From The Desk
Of
Edward J. Haggerty*

Consider Taxes When You Invest

Do you have too much in taxable investments?
If so, now might be a good time to reevaluate this issue.
Not only do most people expect taxes to increase due to the federal government deficit, but taxes in many states are expected to rise also.
How will this impact your retirement?

With retirement come additional key factors, such as Longevity, Inflation, Market Risk, and your ability to fund the lifestyle you envision for yourself.

Will your present Income Strategy provide you with the flexibility and control you need to respond to various contingencies and opportunities? We would like to meet with you to help answer these questions. When you call, ask about our weekly workshops.

Planting Seeds of Liberty **Rochester Dedicates Liberty Elm Tree** By Kenneth J. Souza

Members of the Rochester Green Ways Committee and scouts from Rochester Boy Scout Troop 31 were on hand to formally dedicate the newly-acquired Liberty Elm tree which has been planted on the front lawn of the Joseph H. Plumb Memorial Library in Rochester center on Thursday, August 14. The Elm Research Institute selected to plant an American Elm on the lawn of the library.

In 1984 the Elm Research Institute devel-

The lighthouse cruise is a fundraiser for the nonprofit American Lighthouse Foundation, based in Rockland, Maine, which cares for 20 historic lighthouses throughout the New England states of Massachusetts, Maine, New Hampshire, Rhode Island and Connecticut. The cruise departs from Provincetown and more information can be found online at www.lighthousefoundation.org or by calling 207-594-4174.

oped a disease resistant, street-proven strain of American Elm and called it The Liberty Elm. They have since developed a joint program with the Boy Scouts of America (BSA) in which a town finds a highly-visible location for a tree, plants the tree and during a public ceremony a commemorative plaque is unveiled and Thomas Paine's poem *Liberty Tree* is read. The town also receives a framed replica of the poem to hang in the Town Hall.

complete package to 100 towns and Rochester was lucky enough to be chosen among them. BSA Troop 31 also received a generous donation for its participation. It is hoped that this tree, named after Boston's original Liberty Tree, symbol of freedom for the colonists, will inspire patriotism and elm tree restoration, while leaving a living legacy in Rochester.

"I would like to thank the Elm Research Institute and the anonymous donor who is a great supporter of the Boy Scouts and elm restoration who provided this tree for us," said Susan Adams of the Rochester Green Ways Committee. "We feel very proud and we wanted also to thank the Boys Scouts of Troop 31 who worked hard on this project."

According to Ms. Adams, the tree derived its name from the shadowy group known as The Sons of Liberty, who would often meet in those days before the American Revolution under these plantings.

"The Sons of Liberty began to meet very quietly under these Liberty Elm trees," she said. "That's where the name 'liberty elm' came from because many towns and areas around Boston planted liberty trees and used them for this purpose — as a gathering place."

Well-known Rochester resident and retired Judge Chris Byron was on hand to explain how a piece of one of the original Boston Liberty Elm Trees came into his possession and he has used it for years as his judge's gavel, which he showed to those present.

"It's nice to know that there are pieces still left from those original trees," Ms. Adams said.

August 14, 1964 was declared "Liberty Tree Day" in the Commonwealth of Massachusetts, which is why Ms. Adams noted they chose the same date on which to dedicate the town's recent acquisition.

the center of Rochester around 8:30 am, ready to endure in the 5-kilometer (3.1-mile) course that lay before them. By 9:00, the runners took their places behind the starting line on Dexter Lane. Before receiving the okay to go, a brief speech was made about the event by one of its coordinators, along with a short prayer, helping to remind everyone the main cause of the event.

The race was created as a non-profit organization in which proceeds from the entry fees were to be donated to "The Family Pantry-Damien's Place" in Wareham. Each month, this pantry provides food to over 500 hungry families.

In addition, the Rochester Road Race corporation collected non-perishable food items which will also be donated to Damien's Place. The Old Rochester Regional High School's honor society gave a helping hand in this area, bringing in cans of their own. Covanta SEMASS took the role of the race's main sponsor. Each year that this event has occurred, Covanta has set up a fun and motivating environment for the runners and walkers of the race.

Finally, the racers were off. As the group went running by, it became clear how well this particular road race was able to bring such a variety of age groups together. There were children who looked to be as young as eight years old and adults as old as seventy. This was truly an event for all the ages. From Dexter Lane, the runners continued down Mary's Pond Road to Walnut Plain Road. Turning left onto Clapp Road, they found a water

stop signifying the race's halfway point. From there, the runners took a left onto Mendell Road and another left onto Rounseville Road, finishing at the church green.

Amazingly enough, it took about the same amount of time for the race's winner to do all that as it did for some of the viewers to take the much shorter short cut from Dexter Lane to the church ground. **Julien Di Maria**, from Lexington, finished victoriously as first place winner of the entire race. He had an amazing record time of 16:41. Other first place winners from the different age categories included **Adam Sylvia** (23:44), **Gabby Reuter** (27:37), **Dana Dourdeville** (17:26), **Sarah Kassabian** (23:03), **Jared Dourdeville** (17:48), **Tiffany Rozenas** (23:05), **Sal Corrao** (18:44), **Meghan Parks** (22:19), **Joe Francisco** (18:16), **Laura O'Rourke** (21:45), **Peter Farrell** (18:49), **Tina Marie Varzeas** (22:04), **Dean Paxson** (23:58), **Rachel McGourthy** (32:48), **Paul Milott** (34:52) and **Patricia Paxson** (43:20).

Complete race results can be viewed online at <http://www.jbrace.com/Results08/rochover08.txt> or via the boxed link at the top of *The Wanderer* homepage at <http://www.wanderer.com>.

It's easy to see why so many people gather each year to participate in the Rochester Road Race. Some ran for the satisfaction of being a philanthropist while others did so for the competitive rush of beating their own time, or that of a personal rival. For whatever the reason, it is truly heartwarming to see every runner pushing that much harder, with encouragement from the crowds, to cross the finish line.

be interested in catching a glimpse of the past. Even the quaint museum building, located on 5 Church Street, holds historic importance to the Town of Mattapoisett itself. It was built in the year 1821 as a Christian Meeting House. In 1958, the Historical Society turned it into the official Mattapoisett Historical Museum and Carriage House. Between then and now, they have been filling the building with old items that hold a connection to the town. The society is now celebrating its fiftieth year of existence!

The museum features a special exhibit, located at the very front of the building, each year. This summer's newest display is called "Toys from the Past." It features a very fine collection of dolls, doll houses, toys and games.

There are five unique doll houses, an old general store, and a wonderful 1973 horse barn with toy horses residing inside of it. There is also a collection of stuffed bears positioned inside of an aged boat model.

Traveling further into the museum, upstairs and eventually into the carriage house, you begin to see how different everyday life in Mattapoisett was back then compared to now. There are immediate ties to the waters that surround the town. Seam rubbers, which are instruments made of wood or bone and used to flatten the seams of sails, can be found in this particular display. Other interesting pieces are a diary and a stamp that were used to record the capturing of whales. If the stamp only showed the bottom half of the whale, meaning its tail, that indicated that the whale was harpooned but escaped.

The carriage house holds the bigger items of the tour, including wagons, ice cutting tools, household appliances, Native American artifacts, sewing machines, bed warmers, bath tubs and a descriptive model of a salt works operation. The first fire wagon to ever exist in Mattapoisett, which looks nothing like the fire trucks used today, is shown front and center. In another part of the carriage house, a mast from the last ship to have departed from the port of New Bedford can be found hanging from the ceiling above. This boat was, of course, called *The Wanderer*. On its last trip into the sea, *The Wanderer* crashed upon the sharp rocks of Cuttyhunk Island. This mast, that eventually made its way to the museum after

being displayed as a flagpole in Shipyard Park, is now one of the few remaining remnants of the ship.

The museum has been open this summer on Wednesdays through Saturdays between the hours of 1:00 and 4:00 pm. The museum has a small admission fee of \$3 for adults and \$1 for children. Those under the age of 6 can get in for free. All of the proceeds go directly towards maintaining the museum and helping to pay for the society's events. The museum has attracted many tourists as well as inhabitants of the town; however, the committee is always hoping for more visitors. August 31 is the last day that the museum will be open this summer, so there's only a short amount of time left for those who have yet to make a visit.

Cape Cruise

Local Lighthouses on Foundation Tour

The American Lighthouse Foundation is inviting everyone to join them on September 20, 2008 for an exciting cruise with Dolphin Feet Whale Watch of Provincetown. The cruise will feature eight lighthouses along Cape Cod and in Buzzards Bay, plus the opportunity to cruise through the historic 17.4-mile Cape Cod Canal.

Cape Cod is home to some of our nation's most historic lighthouses, which dot the magnificent sandy beaches of the Cape and beckon New Englanders and visitors from afar to bask in the charm and beauty of this glistening place — a place that renowned writer Henry David Thoreau once observed, "A man may stand there and put all America behind him."

The lighthouse cruise is a fundraiser for the non-profit American Lighthouse Foundation, which is based in Rockland, ME, and cares for 20 historic lighthouses throughout the New England states of Massachusetts, Maine, New Hampshire, Rhode Island and Connecticut.

The cruise will leave from MacMillan Wharf in Provincetown on September 20 at 10:00 am and offer great water views of Race Point, Wood End, and Long Point lighthouses around Provincetown, which are all maintained by the Cape Cod Chapter of the American Lighthouse Foundation (ALF).

In addition, the cruise will pass through the Cape Cod Canal into Buzzards Bay to view Wings Neck, Cleveland Ledge, Ned's Point, and Bird Island lighthouses.

After passing back through the canal, tour patrons will be treated to a wonderful water view of Sandy Neck Lighthouse on the return trip. Sandy Neck Light recently received a new lantern and was relit as a private aid to navigation, all of which was made possible by the Sandy Neck Lighthouse Restoration Committee of the

The deadline for stories is October 3 so that submissions can be published throughout the month, with the winning entry announced in our special October 30 Halloween edition. The deadline for artwork in our Halloween Cover Contest is October 17, with the winning submission to be featured on the cover of our October 30 edition.

Marion Selectmen's Meeting

August 19, 2008

By Kenneth J. Souza

A regular meeting of the Marion Board of Selectmen was called to order in the Marion Town House on Tuesday, August 19 at 7:00 pm by Chairman Jonathan Henry. Also present were Selectman Roger Blanchette, Selectman Stephen Cushing, Town Administrator Paul Dawson and Secretary Helene Craver.

The board first approved the minutes of the August 5 meeting, then met with members of the Board of Health (BOH) at 7:02 pm to consider the recent resignation of

board member Elizabeth Dunn, RN, due to her pension requirements as a state employee. "This meeting has been called to fill the vacancy that apparently exists on the board," Mr. Dawson said. "In addition to Ms. Dunn, today we received letters of interest from two additional Marion residents seeking to fill the vacancy on the Board of Health."

Mr. Dawson noted Sharon Matzek, CCRA, and John B. Howard, MD, both expressed interest in serving on the Board of Health in the wake of Ms. Dunn's resignation.

"As is our customary procedure, we should take these letters of application under advisement until our next meeting," Chairman Henry said. "The final interview would then be before the Board of Health."

"While there may be qualified applicants for this position, the circumstances which led to (Ms. Dunn) having to resign are unusual," BOH member Jason E. Reynolds said. "She's asking to be reappointed to a position to which she was elected, where she's served for many years ... and that warrants special consideration."

"I would agree with you if there were no other appli-

MICROCHIPS

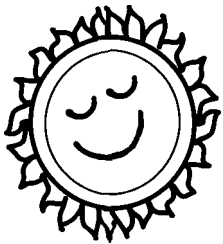

My friend told me that I should have a microchip implanted in my cat so I could track him like Lojack enables police to recover a car. Is this true?

Not exactly. A microchip is a rice sized computer chip with a number embedded in it that is injected under the skin of a cat or dog. A receiver is passed over the pet and the number shows up on a window. A phone call to a clearing house will reveal the name and address of the cat's owner. So a microchip is more like an ID tag than a Lojack.

How can I get a microchip inserted into my dog?

Your veterinarian can insert a microchip into your dog or cat. You then register the microchip number and the process is complete. Microchips are an excellent idea for cats that go outdoors as cat are almost always losing their collars with associated ID tags.

cants," Chairman Henry said. "But we have to make sure we don't compromise the integrity of the process."

"We viewed it more as a bookkeeping type of thing, but I guess there are legal steps to follow," agreed BOH member Albin Johnson.

"As it stands right now, there is a vacancy that exists ... that needs to be filled," Mr. Dawson said. "We have to consider all qualified applicants."

The board next unanimously voted to sign and approve the warrant for the September 22 Special Town Meeting, to consist of the following four articles:

- **Article S1** will ask voters to authorize the Board of Selectmen to purchase a 1.3-acre parcel of land that runs adjacent to the existing Little Neck Village property to allow the future expansion of the site.

- **Article S2** will ask voters to approve the transfer of the care, custody and control of that 1.3 acres of land to the Marion Affordable Housing Trust so as to proceed with the Little Neck Village Housing Project.

- **Article S3** will ask voters to transfer the care, custody and control of the existing Little Neck Village Housing Project from the Town of Marion to the Marion Affordable Housing Trust, to be combined with the new expanded facility.

"It should be noted that the current deed is not age-restricted, and both new transfers will carry an age restriction," Selectman Cushing said.

- **Article S4** will ask voters to authorize the Board of Selectmen to transfer a sewer easement from Hermitage Road to the parcel of land where Little Neck Village now sits from the Town of Marion to the Marion Affordable Housing Trust.

"The entire warrant will deal with Little Neck Village," Mr. Dawson said. "We've had conversations with the Planning Board about including some articles on this

warrant, but because we needed to get these approved in time to apply for state and federal funding (for Little Neck Village), they weren't ready."

Maintaining a theme, the board next signed and approved a site eligibility letter for the Little Neck Village Project so that EA Fish and Company can start the application process with the Department of Housing and Community Development (DHCD), subject to Town Meeting approval.

The board also approved a request to close off Spring Street between Main Street and Cottage Street for the Annual Marion Block Party to be held on Saturday, August 30 from 5:00 to 11:00 pm.

"I just want to encourage everybody to attend the town block party," said resident Carol Sanz. "It's a great time for everybody from all parts of the town."

The board also approved a one-day, all-alcohol license for VFW Post 2425 for an event to be held on August 30 and also approved the reappointment of William D. Titcomb as the town's Veterans' Agent/Grave Officer.

Under the Town Administrator's report, Mr. Dawson said he's tentatively set a date of Tuesday, September 9 at 6:30 pm to meet with the members of the Personnel Advisory Committee.

He also provided the board an update on the Police Station Building Project. "We recently put out a Request for Proposals (RFP) for the owner's project manager ... who will oversee the project on the town's behalf," Mr.

Dawson said. "It is a position required by state law. Those bids have been opened and the evaluating committee has met with the applicants. We're pretty close to making a final decision — we just need to check out their references."

The Police Station Building Committee was next slated to meet on Wednesday, August 20 at 5:00 pm.

Lastly, Mr. Dawson suggested the board award the contract for the Department of Public Works' (DPW) new rubbish packer vehicle to McDevitt Trucks of Avon, MA in the amount of \$182,500. The board unanimously approved the bid award as suggested.

Mr. Dawson also noted the new ambulance billing procedure has been going well so far. "The trip and run reports have been sent to Coastal Billing and the invoicing will begin shortly," he said. "They have been receiving the invoices since July 1. EMS directly sends run reports to Coastal Medical Billing."

In other matters, the board:

- Received a letter from Harbormaster Michael Cormier regarding some issues that arose during the recent Buzzards Bay Regatta (BBR). According to Mr. Dawson, Mr. Cormier had planned to meet with representatives from the BBR earlier in the day to go over his concerns.

"Essentially what we had was a real breakdown in communication ... this year," Mr. Dawson said. "The Harbormaster is planning to suggest to the organizers of the BBR that we need to set up more pre-informational

meetings with the people who will actually be doing the parking. They had a plan in place, but it wasn't followed."

• Received a letter from DPW Superintendent Rob Zora as to the water consumption at 51 Water Street. The homeowner alleges that there are rocks blocking the pipes in their irrigation system that are creating leaks and causing a malfunction leading to the jump in water consumption.

"Essentially Rob is saying it would not be likely that the spike in water usage would be caused by the village loop project," Mr. Dawson said. "The other thing is that in that section of Main Street, all that has happened to date is the water main has been installed, but the services to the homes have not yet been connected."

• Appointed Selectman Blanchette to serve as the board's representative on the newly-formed Southeast Regional Task Force on Casino Impacts, established to address the potential impact on local communities from the proposed Mashpee Wampanoag Casino in Middleboro.

There being no further matters to discuss in Open Session, they unanimously voted to go into Executive Session at 8:00 pm to discuss collective bargaining and personnel issues and would thereafter adjourn for the evening.

Corporation helped celebrate the centennial of Sippican Tennis Club in Marion. Smith was U.S. Open Champion in 1969 and 1971 as well as Wimbledon champ in 1972.

For the past seven years tennis has been introduced to underprivileged inner city youths from 11 to 17 years old from a variety of backgrounds from all over the country by local SouthCoast residents who travel to Hubbardston during the summer months. Without the generous support of its sponsors and volunteers, the Ron Burton Training Village could not exist.

The camp known as the **Ron Burton Training Village** was founded in 1985 by the late New England Patriot All-American legend Ron Burton who passed away five years ago. The camp reflects the ideals that have made its founder a great success in sports, business, family and community with emphasis on the latter. "Beyond learning the game of tennis, the kids end up learning so much about one another and develop respect for each other," Ms. Byron said. The entire program is based on love and understanding.

Among some of the local key supporters are **Alex Pavao**, tennis pro at **Marion Indoor Tennis Club** who has faithfully donated tennis racquets and has strung racquets for the past seven years. **Sippican Tennis Club** members have been donating racquets and tennis balls and Sippican's pro and club manager, **Chick Renfrew** donates used nets from the club, strings racquets and makes arrangements with the Tony Garafalo Foundation to donate new

tennis balls for the camp. **Dana Sequeira** of Home Court Advantage has donated tennis nets. **Lynn Gillis**, Sippican Tennis member, donates beautiful racquets to the runners-up who compete in the camp tennis tournament.

For the big prize, New Jersey-based Prince Corporation graciously donates new top of the line tennis racquets to the winners in place of tennis trophies. "They have been doing this since the program was implemented in the year 2000," Ms. Byron said.

Letters to the Editor

To the Editor:

I represent the plaintiffs in the case of *Tinkham v. Mattapoisett*. I would like to respond to the statement "read into the record" by Selectman Lombard at the August 12, 2008 Mattapoisett Selectmen's meeting and reprinted in *The Wanderer* on August 14, 2008. and style that it was written by the Selectmen's attorneys in the case.

The statement omits the important fact that the Town Meeting vote to swap Tinkham Forest was ruled unlawful by the court. The overwhelming evidence showed that Floyd Tinkham intended for Tinkham Forest to be protected for the use and enjoyment of future generations and he did not intend his gift to be transferable by the town.

The statement reveals the relentless approach the Selectmen and their lawyers have taken in this case. The theme is that the plaintiffs are blocking the town from receiving fabulous benefits the swap would bring and that these benefits somehow justify the swap. We teach our children that no amount of gain justifies an unlawful act. Instead of recognizing this basic truth and giving up the doomed quest for unlawful gain, the Select-

men's response to the plaintiff's suit was to grease the gears of their legal machine with an unlimited budget. The plaintiffs stood firm in their resolve although they had nothing of monetary value to gain. They only wanted the town to keep the promise it made to Floyd Tinkham in 1968 when it accepted his gift. The court's decision that the promise had to be kept was no surprise.

Appeals from the decision were filed by the Selectmen and by the plaintiffs. The Selectmen's appeal claimed that the judge was wrong in ruling the swap unlawful. The plaintiff's appeal claimed that this ruling was correct but the judge should have required the town to pay their legal fees and the judge should not have addressed access in his opinion.

The statement also omits an important part of the failed settlement proposals. The plaintiffs indicated that they would dismiss their appeal and waive their claim for attorneys fees if the Board of Selectmen would only enforce the town's 2003 contract with the Bay Club developers guaranteeing three unimpeded public access routes to Tinkham Forest. Although signed, this contract has never been recorded in the Registry of Deeds. The Selectmen declined, so the case goes on because the plaintiffs believe that free access will be valued by and important to future generations.

The statement says the Board of Selectmen has directed its attorneys to dismiss its appeal. This comes after the parties have both expended substantial legal resources on the issues related to the Selectmen's appeal over the past year. The Selectmen's appeal had a great handicap because it was defectively filed. Perhaps a late dawning realization of this defect has something to do with the timing of the decision to dismiss.

Tinkham Forest is not just any piece of land. It has been preserved for its historic value for the last 130 years. It is crossed by the Sippican Trail, once trod by Massasoit, Machacam, Totosin and Benjamin Church. Whatever else the swap would have produced, it could never have replaced what would have been lost. Tinkham Forest is still a "special" place.

Sincerely,
Stephen D. Clapp
Mattapoisett

To the Editor:

If the Mattapoisett Selectmen truly want to "put the record straight" regarding the Tinkham Forest case, may I suggest the following:

Withdraw at once the obviously self-serving, incomplete and, at times, inaccurate statement recorded at their August 12 meeting as printed in last week's edition of *The Wanderer*.

Substitute instead the Superior Court judge's decision that ruled illegal the Town Meeting vote to swap the forest to a developer for private gain.

Include Attorney Stephen Clapp's complete letter to the editor which spells out in more honest terms what the record should reflect.

And, finally, include the brief filed by the plaintiffs in the Court of Appeals which, among other things, cites both state

Mattapoisett

To the Editor:

I wish to express my gratitude to the Mattapoisett Board of Water and Sewer Commissioners for their informational meeting on August 13, regarding a proposed sewer project for Mattapoisett Neck. Their presentation and the questions from the audience provided an opportunity to become better informed about this costly \$14,750,000 proposal.

Like many present at the meeting, I am deeply concerned about creating such a large individual and community-wide financial burden. Many economists say we are in the most difficult financial period since the Great Depression. Housing prices are falling, unemployment is rising, and wage growth is negative. Housing prices could be depressed for years, and the more than \$31,000 burden from initial sewer "betterment" charges per household could be the tipping point for many families on the financial edge. Further, selling our homes would be hindered by this liability, as any unpaid betterment fees would be immediately recorded on our deeds as a lien.

This project could impact every Mattapoisett taxpayer. We don't know for sure, but perhaps several hundred new homes could be built on previously unbuildable lots. Not only could that change the beauty and bucolic nature of the Neck, it could place ever-rising costs for infrastructure, schools, police and fire on every taxpayer in the town. To give you an idea of what that future burden might be, a recent study noted that infrastructure fees have risen 77 percent from 2003 to 2007 in U.S. cities and towns. The Commissioners clearly noted that the town's sewer capacity was "capped" and that a building boom was unlikely, but we don't know what future capacity increases may take place or the outcome of potential legal challenges by developers yearning to build on previously unbuildable parcels.

In addition to those infrastructure costs, the betterment fees are just the beginning. We have no idea what our sewer use fees will be in the future, and they may rise dramatically despite the best efforts of our town. I did an Internet search for information on cost increases of sewer use fees in other cities and towns; the results were chilling. It appears that cost increases of 50 to 100 percent are not uncommon. I really fell in love with my trusty septic system after reading about those steep sewer fee increases!

Those are just a few of the financial issues at stake in this expensive sewer proposal. The environmental issues are significant as well. With a new sewer line, that beautiful little piece of land next to you that you've enjoyed for years and thought was unbuildable could quickly come under the blade of a bulldozer. At a time when conservation land trusts and many other organizations are attempting to preserve open spaces for our grandchildren, this project could radically undue their efforts. The project may benefit developers, but it could be a burden to the environment. While some Neck septic systems may need repair, the Commissioner's presentation stated that those upgrades could be accomplished by individuals for "\$500 to \$15,000." That's a lot better than \$31,000 (minimum), plus a lien and a stream of sewer use fees for a lifetime.

I realize that others may feel differently about this

proposal, and I respect their opinions. However, please keep in mind that the presenter for the Commissioner's stated that he didn't think very many of us were having problems with our septic systems. He was probably correct, and I hope we will decide to allow individuals to repair their individual septic problems in accordance with established Title V procedures rather than saddling the entire area with a large, government-run sewer project. In this tenuous financial environment, it's important to avoid unnecessary spending that will be especially burdensome to those most financially-vulnerable.

In recent years, overspending has led America to become the most indebted nation on earth. It takes \$2.5 billion of borrowing from China and other foreign nations every business day to support our excess spending. Towns across our nation are now suffering financially from excessive budgets. Let's not add to that burden by saddling working families and senior citizens with this expensive and unnecessary sewer project.

Sincerely,
Jon Bryan

To the Editor:

The Elizabeth Taber Library in Marion celebrated reading and related activities with this summer's program for children (and adults!), "On ship or shore, let's read more!" Children ages 2 to 12 years old enjoyed storytimes, crafts, reading games, and drop-in activities over the course of our seven-week program. We started the summer with an ice cream sundae party, held a lollapalooza of a pet show, learned about the science behind magic tricks with the Museum of Science's traveling program, and ended the summer program with the (still mysterious) magic of Steve Rudolph. Attendance totalled 1,197. It was especially exciting, with the help of a donation from Lockheed Martin/Sippican, Inc., to "read for a good cause." Each hour that participants spent reading equalled \$1 to support the work of Heifer International. Our readers read for 320 hours! We were able to purchase a beehive, a goat and a llama to help needy families become self-sufficient.

I would like to thank all the participants (and parents,

My husband and I are moving out of the state to begin new adventures, but I leave with much regret. It will be hard to top being "Ms. Marsha!" Rochester Country Fair

Pig Roast

The Rochester Land Trust will hold its twelfth annual Pig Roast on Saturday, August 23 at 6:00 pm at the Rochester Country Fair Grounds. The ticket price is \$20, the same price as last year, and children under 5 are admitted free. Tickets may be purchased at Bev Loves Books, located in the Plumb Corner Mall.

The menu, as in years past, consists of barbecued pork shoulder prepared in Pig Pickens' onsite pit, baked beans, applesauce, cole slaw and rolls. The Trust also provides fresh sliced local tomatoes, a variety of homemade desserts, soda and coffee.

Entertainment during the meal will be provided by Celtic Fiddler Hillary Rozenas, the younger sister of Tiffany Rozenas, who has been the dinner show for the last two years.

During the meal, the winners of both the annual silent auction and raffle will be announced. Items will be displayed and raffle tickets sold all day at the RLT booth at the Rochester Country Fair. Many local merchants and residents have donated a wide assortment of goods, many handcrafted, and services to benefit the works of the Trust.

"Wild West" Parade

Homes located along the Rochester Country Fair Parade Route will have the opportunity to participate in a "Wild West" Theme Home Award Contest.

The Rochester Country Fair Committee encourages homeowners along the parade route to decorate the exterior of their home, yard or themselves with the *Old West* in mind. Whether it be outlaws and cowboys, pioneers and Indians or ghost towns and saloons, they look forward to how the residents transport their homes into the adventurous times of the Wild West!

Members of the Committee will judge each home as they pass by in the parade on Sunday, August 24. The only requirement is that homeowners are asked to have their house address clearly visible for judging. Prizes will be awarded to both the winner and the runner up of the contest.

The actual Rochester Country Fair will take place at Plumb Corner and begin on Friday evening, August 22 with a Woodsman Show contest. Old-Fashioned Country Fair Fun will take place on Saturday, August 23 through Sunday, August 24.

The "Wild West" Theme Parade will step off at 10:00 am on Sunday. Those who wish to participate in the parade can obtain their Parade Applications on the web at www.rochesterma.com or pick one up at Bev Loves Books located in Plumb Corner Mall.

For those who want to participate with their creativity or talent but don't live along the parade route, the fair also offers a Antique and Western Wagon Contest, Photo Contest and Pie Bake-Off contest just to name a few. Additional Fair information is available on the web-

damaging leaks and a new roof is urgently needed. To finance this costly endeavor they have launched a Capital Campaign to raise the needed funds. This repair will be done with the environment in mind — whether disposing of materials or selecting new ones. Donors will be helping us to fulfill their mission of preserving the past for future generations.

Please be generous with a tax-deductible donation. Checks should be made out to RHS and sent to P.O. Box 171, Rochester, MA 02770.

Also, be sure to visit the Rochester Historical Society's booth at this year's Rochester Country Fair on August 23 and 24. They look forward to seeing you there!

The Block Party initially started by Joe Zora as an end of summer party that was held at Silvershell Beach over 30 years ago. The party then moved to the Town Wharf for several years. After a hiatus, it was revived by the VFW as a way to get the people of Marion together at the end of summer and to provide funding for all of the good causes sponsored by the VFW. Come make one of Marion's best summer traditions one of your own. Bring family and friends to celebrate the special community that is Marion.

Little Neck Workshop

The Marion Affordable Housing Trust is holding a workshop session on the Little Neck Village Expansion Project on Tuesday, August 26 at 7:00 pm in the Marion Music Hall. The public is cordially invited to attend.

The EA Fish Group has been hard at work in the past few weeks, fine-tuning the design to accommodate the needs of public safety, planning, environmental protection, additional design requirements (e.g. two bedroom units, landscaping) and tenants needs. At the August 26 workshop, they will present a summary of the proposed adjustments/tradeoffs they have achieved, and lead a discussion of any issues that remain.

Because it is likely that majority of members of any invited board may attend, it is necessary for each board to post an official notice of meeting under the Open Meeting Law. However, it is the expectation the workshop will be for information exchange purposes only, and that no official action will be requested of any particular board.

For more information, please call 508-748-3517.

Rochester Police Fundraising

The Rochester Police Brotherhood is currently conducting their annual fundraising campaign. Each year the Rochester Police Brotherhood conducts a telemarketing campaign in the area to benefit local youth sports programs, scholarships for children at Old Rochester Regional High School, elderly Thanksgiving dinners, as well as Christmas trees and presents for needy families during the holiday season.

In order to complete this effort, the Rochester Police Brotherhood has hired All-Pro Productions, Inc. to conduct the fundraising and to produce a comedy night at the Plymouth Radisson on Saturday, October 4 at 7:30 pm. The comedy night has been extremely popular in the past and they are asking local residents to help out through personal donations and local businesses to help by placing advertisements in the playbill.

All-Pro Productions, Inc. is a paid fundraising company that receives 44 percent to cover the costs associated with the booking and production of the event, print-work, rental of office space, telephone and utility expenses, insurance and any other cost associated with the fundraising effort. An additional 29 percent is used to hire telemarketers and drivers to call for and pick up local contributions. The remaining 27 percent goes to the Rochester Police Brotherhood. They appreciate the overwhelming support they have received in the past and hope to count on the town's continued generosity.

Fairhaven Movie Series

The Millicent Library's Movie Night starts up again in September. Once a month on the first Monday night of the month (except for Labor Day in September) at 7:00 pm, the library will be showing films free to the public. The theme this time: anti-war films.

"All but one of these films are based on books written by war veterans," said Rob Gonsalves, who coordinates Movie Night. "William Wharton (*A Midnight Clear*) served in World War II. So did Joseph Heller (*Catch-22*). Humphrey Cobb (*Paths of Glory*) fought in World War I. Dalton Trumbo (*Johnny Got His Gun*) didn't serve, but he wrote his book after reading an article about

a badly-disfigured soldier. So most of these stories were written by people who'd been there."

The series kicks off on September 8 with *Paths of Glory* (1957), a World War I drama starring Kirk Douglas and directed by Stanley Kubrick. The film explores the meaning of "cowardice" and "honor" in the context of combat.

Catch-22 (1970), directed by Mike Nichols and based on the famous novel by Joseph Heller, follows on October 6. Alan Arkin leads an all-star cast as Yossarian, a bomber pilot who confronts the circular logic of war: if you want to go up and fly bomber missions, you're insane and you don't have to fly; if you don't want to fly missions, you're sane and you have to fly. R for strong violence and brief nudity.

Johnny Got His Gun (1971), written and directed by Dalton Trumbo based on his novel, focuses on Joe Bonham (Timothy Bottoms), a soldier in World War I who has been hit by a shell and has lost all his limbs and his eyes, ears, mouth and nose. He struggles to communicate despite his injuries. The screening of this little-seen parable (clips from which turned up in Metallica's "One" video) will be November 3. The movie is rated R for brief nudity and language.

The Movie Night series will end for the year with a Christmas movie of sorts. *A Midnight Clear* (1992), starring Ethan Hawke and Gary Sinise, is about a truce between American and German soldiers in World War II as Christmas approaches. The movie will be shown on December 1 and is rated R for combat violence and profanity.

All showings begin at 7:00 pm sharp in the Millicent Library auditorium, accessible through the Walnut Street entrance.

financed benefits such as Medicaid, Veterans Benefits, Social Security Payments, Food Stamps, Medicare, and more. The Economic Stimulus Act states that the Stimulus Payment cannot be counted as income or a resource for the month or receipt and the following two months for determining the eligibility for benefits/assistance under any federal program or state or local program financed in whole or part with federal funds.

To meet the qualifying income requirement for the Economic Stimulus Payment, the following benefits need to be reported in any combination on Line 20A of Form 1040 or Line 14A of the Form 1040A: *Social Security benefits (SS or SSDI); Railroad Retirement benefits; Veterans' disability compensation, pension or survivors' benefits received from the Department of Veterans Affairs; work income or any combination of these totaling \$3,000.* (Supplemental Security Income, SSI, does not count as qualifying income for the stimulus payment. See if you qualify for it, everyone could use more money!)

tions by area restaurants and the 20-piece, internationally acclaimed Compaq Big Band. Cocktails will be served at 6:30 pm and dinner at 7:30 pm.

Ticket prices and sponsorships are available by calling the Philanthropy Office at Tobey Hospital at 508-273-4362. Please RSVP by September 3 to ensure your information will be included in the program book.

Proceeds from "Moby Tobey" will benefit the purchase of a digital portable X-ray unit for the Tobey Emergency Department. This new technology will allow patients who are not able to be transported to Radiology to receive an X-ray at the bedside. The X-ray is then processed on a digitizer, which allows the images to be sent over the hospital network directly to the radiologist for interpretation. This improvement enables care and treatment to be initiated in a more timely manner, especially when minutes count.

West Nile Warning

The Massachusetts Department of Public Health (DPH) announced recently the identification of the first West Nile Virus (WNV) positive mosquito of 2008 in Mattapoisett. Confirmatory laboratory tests were completed at the State Laboratory Institute on August 11. The species of mosquito that test positive typically bites birds and not humans.

While WNV can infect people of all ages, people over the age of 50 are at a higher risk for severe infection. WNV is most commonly transmitted to humans by the bite of a mosquito infected with the virus. Mattapoisett and the Massachusetts Department of Public Health recommend that the public take action now to avoid mosquito bites and reduce mosquito populations around their home and neighborhoods.

"We are finding WNV throughout Massachusetts," said DPH State Epidemiologist Dr. Al DeMaria. "There is significant activity in the greater Boston area; as well as communities in the Worcester and Springfield areas. People should consider the virus as being established in Massachusetts for the summer. The warm, wet summer is continuing to support mosquito populations and allowing the virus to spread."

In 2007, there were six human cases of WNV in Massachusetts. While WNV can infect people of all ages, people over the age of 50 are at higher risk for severe disease. WNV is usually spread to humans through the bite

of an infected mosquito.

People have an important role to play in protecting themselves and their loved ones from illnesses caused by mosquitoes. Helpful suggestions include:

- **Avoid Mosquito Bites: Be Aware of Peak Mosquito Hours.** The hours from dusk to dawn are peak biting times for many mosquitoes. Consider rescheduling outdoor activities that occur during evening or early morning.

- **Clothing Can Help Reduce Mosquito Bites.** Wearing long-sleeves, long pants and socks when outdoors will help keep mosquitoes away from your skin.

- **Apply Insect Repellent when outdoors.** Use a repellent with DEET (N, N-diethyl-m-toluamide), permethrin, picaridin (KBR 3023), oil of lemon eucalyptus [p-methane 3, 8-diol (PMD)] or IR3535 according to the instructions on the product label. DEET products should not be used on infants under two months of age and should be used in concentrations of 30 percent or less on older children. Oil of lemon eucalyptus should not be used on children under three years of age.

- **Mosquito-Proof Your Home: Drain Standing Water.** Mosquitoes lay their eggs in standing water. Limit the number of places around your home for mosquitoes to breed by either draining or discarding items that hold water. Check rain gutters and drains. Empty any unused flowerpots and wading pools, and change water in bird-baths frequently.

MILESTONES

Births

Robert "Robby" Antonio Duarte was born on June 4, 2008 to Laura and Pedro Duarte of Fairhaven. He is the first grandchild of his very proud grandparents Robert and Lisa Bertrand of Mattapoisett and Antonio and Celeste Duarte of South Africa.

Deaths

Milton G. Saunders, 86, of Mattapoisett died August 17, 2008 at the Royal of Fairhaven after a brief illness. He was the husband of the late Lillian L. (Briggs) Saunders.

Born in Rochester, the son of the late Raphael and Marianne (Bisaillon) Saunders, he lived in Mattapoisett all of his life.

Mr. Saunders was a home builder and boat builder for many years. He also headed the saw at the Big 3 Saw Mill. He served in the U.S. Navy during World War II. Mr. Saunders enjoyed fishing, woodworking, boating and the local waterfront.

Survivors include a son, Michael Saunders of Mattapoisett; 3 daughters, Donna Peters and her husband Bob of Carver, Deborah Baldwin and her husband Harry of Acushnet and Brenda Mae Moniz of New Bedford; 10 grandchildren, Mark, Robyn, Chad, Chris, Misty, Becky, Michael, Steve, Kim and Jodi; 10 great-grandchildren; his companion Lucille, his best friend Snoopy and his newly extended family at the Royal; many nieces and nephews. He was the brother of the late Herbert Saunders, Stephen Saunders and Elliott Saunders.

His Funeral Service will be held on Thursday at 9:30 AM in the Saunders-Dwyer Mattapoisett Home For Funerals, 50 County Road (Route 6) Mattapoisett. Burial will follow in the Massachusetts National Cemetery. In lieu of flowers, remembrances may be made to the Royal of Fairhaven, c/o Lee Allaire, 184 Main St. Fairhaven, MA 02719. For directions and guestbook, please visit www.saundersdwyer.com.

Gary W. McCombe, Sr., 78, of Rochester died at home surrounded by his loving family on August 17, 2008. He was the husband of Loraine M. (O'Brien) McCombe.

Mr. McCombe was born in Rochester, son of the late William, Jr. and Marion B. (Sylvia) McCombe, and was a lifelong

resident of the town. He was a communicant of St. Rose of Lima Church. He was a U.S. Navy veteran of the Korean Conflict. He was employed as a mechanical engineer by Louis Gerson Company, Middleboro until his retirement in 1993. He was a member of the Massachusetts Beekeepers Association and a plank member of the USS Cabot Association. He enjoyed cooking, farming, and spending time with his family.

In addition to his widow, he is survived by three daughters: Patricia L. Zeiba and her husband Bruce of Raynham, Jeanne M. Adams and her husband Dennis of Lyndeborough, NH and Karen A. Breton of Rochester; 4 sons: Gary W. McCombe, Jr. of Rochester, Michael H. McCombe of Freetown, William J. McCombe of Rochester and James P. McCombe and his wife Marilyn of Nokesville, VA; 14 grandchildren; 3 great-grandchildren; and several nieces and nephews. He was brother of the late Eben A., Dwight C. and Nathan G. McCombe.

Arrangements are under the direction of the Kirby Funeral Home, 61 Tarkiln Hill Road, New Bedford. To sign the online guest book, please visit www.potterfuneralservice.com.

Deborah S. (Lopes) Franklin, 47, of Marion, entered into eternal rest on Thursday, August 14, 2008 at home. She was the cherished wife of Gordon Franklin and the daughter of Samuel and Arlene (Klein) Sirota of Wareham and the late Robert Mello Lopes. She was born in Salem and lived most of her life in Onset and Wareham before moving to Marion four years ago.

Debbie worked as a Medical Assistant at the Giga Medical Clinic in New Bedford. Debbie was very active in the Wareham JBA as the head coach. She enjoyed knitting, photography and music.

Survivors include her husband; her parents; a daughter, Karen Lopes of Fairhaven; a sister, Lisa Wilder and her children, Jowaun and Brianna Gamble all of Wareham; 4 brothers, Mark Lopes of Lynn, David Lopes of Boston, Michael Lopes of Onset and Anthony Klein of CA; 2 step sisters, Barbara Ennis of Franklin and Carol Seftel of Columbus, OH; several aunts, uncles, cousins, nephews and nieces.

Arrangements by the Chapman, Cole and Gleason Funeral Home, 2599 Cranberry Highway, Wareham.

In lieu of flowers, donations may be made to the Debbie (Lopes) Franklin Scholarship Fund, Eastern Bank, P.O. Box 517, Marion, MA 02738.

Mattapoisett YMCA Clambake

The Mattapoisett YMCA, a Division of YMCA Southcoast, will be hosting a Traditional New England Clam Bake on Saturday, August 23. You are invited to enjoy an evening of delicious food, beautiful waterviews, a bonfire, and quality entertainment by Chris Richards! There will also be a Silent Auction with many one-of-a-kind items available. Attendees are welcome to bring a lawn chair or blanket in order to fully enjoy this outdoor event. Tickets are \$60 and can be purchased at the Mattapoisett YMCA or online at www.ymcasouthcoast.org. Proceeds raised from this event will support YMCA-Southcoast's Annual Scholarship Fund, which provides financial assistance to those in the community who are unable to afford the cost of YMCA memberships, programs and camps. For more information, please call or visit the Mattapoisett YMCA, located at 38 Reservation Road in Mattapoisett. The phone number is 508-758-4203.

YMCA Southcoast has been working to meet the health and social service needs of families throughout the Southcoast area for nearly 150 years. There are currently five branch sites: the Dartmouth YMCA, Fall River YMCA, New Bedford YMCA, Mattapoisett YMCA and the Gleason Family YMCA in Wareham, serving more than 16,000 members. YMCAs embrace people of all ages, incomes, abilities, religions and ethnic backgrounds and build strong kids, strong families and strong communities. Financial assistance is available for membership and programs. For more information, call 508-997-0734, visit the nearest YMCA Southcoast branch, or visit www.ymcasouthcoast.org.

Childcare is provided for infants and toddlers every Sunday morning. In addition, church school classes for preschoolers through high schoolers are held from 10:30 to 11:45 in Harrop Center, the religious education building at 47 Center Street.

"The Unitarian Universalist approach to religious education reflects an ongoing search for truth and meaning and a commitment to freedom of belief. Inspiration from all the religions of the world, as well as humanist teachings, science, and personal experiences of mystery and wonder are the basis for church school and adult programs," said Lisa Elliott, Director of Religious Education.

MOVIE REVIEW

Apocalypse Wow

By Rob Gonsalves
www.efilmcritic.com

Tropic Thunder. Starring Ben Stiller, Robert Downey Jr., and Jack Black. Directed by Ben Stiller. Running time: 107 minutes. MPAA rating: R.

The closest Ben Stiller has come to creating a real character — actually inhabiting a role and playing its reality — was probably his performance as the hapless but decent Ted in *There's Something About Mary*. That was ten summers ago (he did interesting work in the same year's *Zero Effect*, *Permanent Midnight*, and *Your Friends & Neighbors* too), and since then Stiller seems to have been content to condescend to the jerks and nitwits he plays. A smug, superior tone has crept into his acting and calcified there. Stiller's new vehicle, *Tropic Thunder*, which he also cowrote and directed, has been talked about as his comeback — his bid for comedic cred after too many *Night at the Museums* and *Heartbreak Kids*. It isn't, though. This time, Stiller doesn't just smirk with hip disdain at the doofus he's playing — he does it at the entire acting profession.

Tropic Thunder has one of those wheels-within-wheels insider plots much beloved of young talent disgusted by the Hollywood machine. A Vietnam war epic called *Tropic Thunder* is being filmed on location. Its stars — lunkheaded action star Tugg Speedman (Stiller), self-destructive fart-humor hack Jeff Portnoy (Jack Black), and obsessive Method actor Kirk Lazarus (Robert Downey Jr.) — can't quite find the reality in the overwritten script (based on a book by a 'Nam vet played by a growling Nick Nolte). The stars' hesitations are costing the production millions, so Nolte's character suggests turning the actors — rounded out by rapper-turned-actor Alpa Chino (Brandon T. Jackson) and levelheaded newcomer Kevin Sandusky (Jay Baruchel) — loose in the jungle so they can experience its pains and perils for themselves. Unfortunately, some heroin runners are camped nearby, and they have live ammo.

It should be said that Robert Downey Jr.'s *annus mirabilis* continues here. As a blonde Aussie actor straining for verisimilitude in anything he does, including getting skin-pigmentation surgery to play the black soldier Lincoln Osiris and never breaking character, Downey imbues the movie with whatever soul (though I use that word cautiously in this context) and commitment it has. Kirk Lazarus' devotion to his craft is supposed to be one of the movie's little jokes, but Downey transcends the joke. The script tries to make fun of Lazarus for appropriating black skin and attitude, but

the joy Lazarus/Downey takes in the performance — which never comes close to mockery or "blackface" — wipes out the movie's inside-baseball jeers at self-serious actors. He's certainly more fun than anything else in the film.

Even Lazarus, though, is ultimately betrayed by the movie's big banal point — that actors are insecure princes ruled by coarse kings with money. The coarse king here is Tom Cruise as a fat, bald studio boss; the problem is that Cruise is too identifiably Tom Cruise larking in a bald cap and padding — he doesn't bother to create a character, either. (It's his usual win-win-win persona in Homer Simpson drag. Cruise could use some Kirk Lazarus juice.) Actors are insecure! Stop the presses! The movie is also about how they man up and prevail under pressure, so the satire doesn't cut very deep. The jaded, cynical screenwriters (including Etan Cohen and Justin Theroux) take soft shots at the hand that feeds them.

Tropic Thunder probably needed to be cast with actual stars ribbing their standard personae; imagine Vin Diesel in the Tugg Speedman role (and how much funnier he'd have been going "full retard" in the *Simple Jack* clips). Stiller and Black are playing actors hackier than they are (Downey isn't, and doesn't condescend to Lazarus or Osiris), which is a way of acting like a hack while pretending you're above it. For all its movie-within-the-movie cleverness, *Tropic Thunder* says nothing new or particularly funny about the movies we watch or the tropes we fall for (I did, however, laugh heartily at a bit between Downey and a fellow superhero-blockbuster actor who will go unnamed here). At the end of the day, what we're watching is a lot of sketch-level buffoonery against a backdrop of big-budget explosions and gunfights — which are supposed to be taken ironically, of course. But ironic explosions are still as loud and stupid as the same old ones.

SALOME'S STARS

ARIES (March 21 to April 19) Impatience with those who don't keep up with you can cause resistance, which, in turn, can lead to more delays. Best to be helpful and supportive if you want results.

TAURUS (April 20 to May 20) A surprise announcement from a colleague could put you on the defensive. Gather your facts and respond. You'll soon find the situation shifting in your favor.

GEMINI (May 21 to June 20) Time spent away from a project pays off with a new awareness of options you hadn't considered before. Weigh them carefully before deciding which to choose.

CANCER (June 21 to July 22) Consider confronting that personal conflict while there's still time to work things out. A delay can cause more problems. A longtime colleague might offer to mediate.

LEO (July 23 to August 22) Some emerging matters could impede the Lion's progress in completing an important project. Best advice: Deal with them now, before they can create costly delays.

VIRGO (August 23 to September 22) Your aspect continues to favor an expanding vista. This could be a good time to make a career move, and taking an out-of-town job could be a good way to do it.

LIBRA (September 23 to October 22) Disruptive family disputes need to be settled so that everyone can move on. Avoid assuming this burden alone, though. Ask for -- no, demand -- help with this problem.

SCORPIO (October 23 to November 21) Patience is called for as you await word on an important workplace situation. A personal circumstance, however, could benefit by your taking immediate action.

SAGITTARIUS (November 22 to December 21) Don't lose confidence in yourself. Those doubters are likely to back off if you demand they show solid proof why they think your ideas won't work.

CAPRICORN (December 22 to January 19) A temporary setback might cause the usually sure-footed Goat some unsettling moments. But keep going. The path ahead gets easier as you move forward.

AQUARIUS (January 20 to February 18) There's welcome news from the workplace. There also could be good news involving a relationship that has long held a special meaning for you.

PISCES (February 19 to March 20) You might still need to cut some lingering ties to a situation that no longer has the appeal it once held. In the meantime, you can start to explore other opportunities.

BORN THIS WEEK: Your sense of what's right can inspire others if you remember not to push too hard to make your case. Moderation works best for you.

Dr. Jean Peelor

Treats the Cause, Not Just the Symptoms

What is Craniosacral Therapy?

CST is a gentle, hands on technique used to detect and correct imbalances in the cranial bones, the sacral bone and the membrane that surrounds the brain and spinal cord. Restrictions in the craniosacral system may be the cause of sensory, motor or mental dysfunction. Others have head, neck, face, jaw, shoulder, arm or musculoskeletal pains, depression, vision, hearing, taste, tinnitus issues that are caused by imbalances in the bones of the cranium.

What are cranial problems?

Cranial problems are imbalances in the normal motion of the skull bones. Many people suffer from chronic pain. Others have neck, face, jaw, shoulder, arm and/or musculoskeletal pains that are caused by imbalance in the bones of the cranium.

What does Craniosacral therapy have to do with head injuries?

Craniosacral therapy is a treatment that Dr. Peelor utilizes to correct the physical consequences of a head injury, and therefore alleviate the symptoms. She will treat the cause, not just the symptoms

What conditions does Dr. Peelor treat in her office?

Cranial problems: Concussions, Post Concussion syndrome, TMJ dysfunctions, vertigo, tinnitus, loss of taste or smell issues, eye motor coordination, soccer players that head the ball, chronic neck and back injuries, Fibromyalgia.

Dr. Peelor has moved to:

- **SERVE**, New England Program – Registration before August 6th at the COA. **SERVE** pick up is Saturday, August 23. *Note: If you can, please bring your own bags and/or boxes to the Saturday **SERVE** pick up.* **SERVE** New England is a non-profit food cooperative that offers monthly distributions of meats, produce and other grocery items at 30 – 50 percent discounts. It is open to all persons regardless of age, race or income level, and only requires participants complete two hours of volunteer service a month to qualify. Pick up a **SERVE** newspaper at the Senior Center to check out what is available.

- **Healthy Losers** – This is a weight loss support group. There is no charge to join this Rochester Weight Management group. Just come! It meets every Monday from 1:30 – 2:30 pm. Members are weighed in weekly and information is shared weekly with attending members on experiences, healthy recipe choices, and other nutritional tidbits. No special diet is followed. It's whatever you're comfortable with. Please consider joining us! All ages and genders welcome.

- **Volunteers Needed** – The Rochester COA needs a few strong volunteers who would be available on a Monday or Thursday afternoon, around 3:30, to help take down tables and move chairs in preparation for the evening dance classes. If you have half-hour to spare on either or both of these days, and would like to help us out,

ATTENTION DRIVERS

If you are involved in a collision you have the right to have your investment, your vehicle, repaired at a shop of your choice. Your insurance company may suggest a list of repair shops. Do not be persuaded by this list, it is not a guarantee of quality of services, nor does it limit your options. You want a shop who will work for you and with you to put your vehicle back to pre-accident condition. **COLLISION SERVICES OF MARION, INC.** is a licensed, bonded, registered repair shop with the state of Massachusetts. We work with all insurance companies to expedite your repairs. The important thing to remember is we repair the vehicle for you, our customers, not the insurance companies. So remember, if the need arises, contact **COLLISION SERVICES OF MARION, INC.** to get back on the road.

please let us know! We'd be so grateful. The COA is also looking for a few good cutters with extra time to cut up coupons from the newspapers and advertisements. The suggestion was made recently to start a coupon file to have on hand in the lobby for those who could make use of the coupon discounts, particularly during these tough financial times! We need cutters, a person to file the coupons and make sure they are current and your ads/newspapers to cut up. Lots of hands would make light work of this effort.

- **Stepping and Stretching** – Join the Rochester COA on Tuesdays and Thursdays, from 1:00 to 2:00 pm for a fun-filled hour of easy exercise bending and stretching and building up your strength and improving your balance! Most exercises done from the comfort of your chair! This program is designed to improve physical conditioning, decrease risk of falling, and improve health, memory, mood, balance, bone density, flexibility, and endurance. You go at your own pace. This program is made possible through a grant from Coastline Elderly Services, Inc. Donations are appreciated.

- **Moving With the Oldies** – This upbeat exercise class offers a low impact, moderate level cardio workout, followed by a dose of muscle toning and stretching to some of your favorite oldie tunes. Instructor, Clare Hartford, offers classes on Wednesday and Friday, and the time has changed to 9:00 – 10:00 for August only. Donation \$4.

• **SHINE Program** – SHINE is a program to assist seniors with their health insurance, Medicare and prescription coverage. Our state certified SHINE counselors, Jill Bodeau and Gordon Helm, will assist any senior at no cost with any insurance issue, private group plans, as well as Medicare and Mass Health. Call the Senior Center to make an appointment to meet 1-1 with one of the counselors.

• **BINGO** – Feeling Lucky? Why not try your luck at our weekly BINGO game at the Senior Center? The crowd is building. Bingo is held on Wednesdays from 12:30 to 3:30 pm with a refreshment break. We play by the Senior Citizen Recreational Bingo Massachusetts laws. 50 cents per card. No card limit. 25 cents a game. All money collected will be given in prizes that afternoon. Anyone is welcome to come! We hope you'll come.

• **Computer Classes** have stopped until September. However, feel free to stop in at any time to use the computers at your leisure. They are all hooked up to the internet and the printer for you use.

• **Barbecues are Back** – Join the Rochester COA every Monday afternoon for a delicious BBQ at the Senior Center. Grilled fare is the menu, complete with all the fixings. With the summer weather finally here, you can eat out or eat in, whatever your preference. No set cost for the meal, but a cash donation is appreciated. All we ask is that you call us in advance to reserve your spot, so we will have enough food for everyone.

I Found the Aardvark!

Each week, hidden somewhere in the pages of *The Wanderer* is a tiny drawing of an aardvark. The little guy you are looking for looks exactly like the one pictured above (but don't put down this page as your answer, there's another one hidden somewhere in this issue).

Once you find the aardvark you can submit your answer online and if you are right you will get Aardvark Points! You can then use these points to get cool Aardvark Prizes!

Each time you find the Aardvark you will also be entered in our monthly drawing for other cool Aardvark Prizes.

If you would like to enter the monthly drawing by mail, send your name, address and phone number along with the issue date and page number you found him in to: Wanderer - I Found the Aardvark, P.O. Box 102, Mattapoissett, MA 02739. Entries by mail will not be eligible for Aardvark Points.

To enter visit: www.wanderer.com and Click on "I Found the Aardvark"

**In the August 14 issue
the Aardvark was on page 77!**
